

Press Release

## heroal extends Management Board

**Verl, August 2020. With effect from mid-August 2020, the company heroal - Johann Henkenjohann GmbH & Co. KG is managed by an executive team of three.**

In addition to Dr Max Schöne, Mr Jürgen Peitz and Dr Ramon Knollmann have been appointed as Managing Directors of heroal. So the Management Board now consists of three Managing Directors.

Mr Jürgen Peitz has many years of experience as managing director in the international construction industry. Under the new management organisation of heroal, he will be responsible for the areas Sales and Service, Product Management and Product Development as well as Production and Logistics.

Since July 2019, Dr Ramon Knollmann has been working for the company in an executive position. As CFO, he will be responsible for the areas Finance, Accounting and Controlling as well as Human Resources. Before he joined heroal, Dr Knollmann held various management positions in companies connected to the construction industry.

As managing director in fifth generation, Dr Max Schöne has joined the Management Board of heroal in January 2020 already. He will continue to be responsible for the areas Strategy and Corporate Development, Marketing, IT and Digitalisation as well as Project and Process Management.

Under this extended executive leadership, heroal will continue to pursue the goal of consistently developing the company on its long and successful tradition and sustainably strengthening the joint market position together with all partners. The focus will be on high customer orientation, continuous optimisation of the range of products and services, innovative solutions and industry-leading quality and logistics.

With the team of three Managing Directors, heroal creates the ideal conditions in order to consistently pursue the course of growth heroal has embarked on.

## **heroal – the aluminium systems supplier**

As a leading supplier of aluminium systems, heroal develops and produces perfectly coordinated systems for windows, doors, facades, roller shutters, roller doors and sun protection. Folding and sliding shutters, insect protection, terrace roofs and carports round off the product range. By minimising energy consumption during production, maximising energy conservation during usage as well as ensuring optimum profitability during system manufacturing and an increase in the value of the building, heroal system solutions make a significant contribution to sustainable construction.

## **Innovation, service, design, sustainability**

The heroal brand represents system solutions that unite practical innovations, industry-leading service and high-quality design that can be sustainably integrated into any architecture.

Over 800 employees across the company work continually to further develop the systems and optimise the quality of heroal's service and performance.

The heroal brand stands for premium quality made in Germany – certified according to ISO EN 9001. heroal products and systems are produced and assembled exclusively at heroal's German production sites – at its headquarters in Verl and also in Hövelhof.
